The price does not include daily maid service. Final cleaning of the apartment and laundry is a separate cost to be left in the apartment in Euros. The amount will be advised at the time of booking. Bedding and towels are provided, but towels are not to be used on the beach or at the swimming pools. If you change bed linen and towels during you stay please launder them yourselves as only one set of bedding and towels per person or bed is included in the price. We would also ask that you take steps to minimise the amount of sand in the apartment and strip the beds and leave the dirty laundry in the utility room when you leave. Crockery is not included in final cleaning.
