

GETTING TO THE APARTMENT BY ROAD

For many years the road to Playa de Casares, from either Gibraltar or Malaga, was by the N340 coast road. Over the years motorway type bypasses have been constructed and latterly Toll motorways, designated A7, have joined these. There is a further complication with the advent of the European network when this stretch was given another number, E15. Well, it's got worse! They have now renamed the N340 as the A7, and called the toll sections AP7. But not every road sign has been altered so you may see N340 or A7 as you drive around.

FROM GIBRALTAR - THE DIRECTION WILL BE MALAGA, GRANADA OR ALMERIA - 20 TO 25 MINS Leave Gibraltar and head along with the sea on your left. Follow the main road over several roundabouts until you are out of town. You are looking for the right hand slip road onto the N340 - A7 - AP7 - E15 in the direction of Malaga/Granada - do not take the turning to Algeciras. When you are offered the Toll (Peaje) road, AP7, don't, but take the slip road to stay on the N340/A7 and you will eventually drive with the sea on your right. After the Sabinillas underpass, cross a roundabout and at the next one, direction Casares, turn turn back on yourself and take the next turn right (Venta La Choza restaurant on the corner) into The Dona Julia Golf Club.

FROM MALAGA - THE DIRECTION WILL BE CADIZ OR ALGECIRAS - 40 TO 45 MINS On leaving the Airport head for Cadiz/Algeciras, A7 - N340. You can stay on this road all the way to the apartment following the coast line. There are two Toll (Peaje) sections, AP7, along the way that you can take but you will need Euros. Whatever you do, take junction 153 before the next Toll section. At the roundabout don't take the exit for Casares, but carry on round to the A7 - N340 taking you back towards the sea and another roundabout with the words ESTEPONA in the middle. Follow this road for a couple of roundabouts or so until you come to a roundabout with a right hand sign for Casares - straight over and take the next turn right (Venta La Choza restaurant on the corner) into The Dona Julia Golf Club.

FROM THE VENTA LA CHOZA RESTAURANT After turning, follow the road and go straight over the first roundabout. Go through the security gate (with the Dona Julia Club House on your left) and follow the road round to the next roundabout. Take the second exit and go straight up under the Buggy bridge to the next roundabout where you take the second exit again to go left. Follow the road up a slight incline until the road bends to the right - you are here (on the left)! Look for the gate with the letters BL 1 2 3 on the pillar. Our building is block 2 and right in front of you. Find the lift and go to the top floor and find our front door (A) in the middle of the building.
